“ *It's Dec. 2021 and i just learned of her dying. My name is Mark Dettra. I don't need to tell Magaret's children I'm sad - I'm certain that it's a 'no brainer'. Mrs. Canonica - as she was to me - was my second mother and i loved her to PIECES ! She had no time for pomp and false ceremony in her relations with people, and this trait is why as an adolescent i admired and loved her so much. As a 14 yr. old hanging out with my dearest childhood friend Michael , when the family needed to be free of guests for the evening , she'd simply say to me "Mark GO HOME". Some of the sweetest words I've ever heard, because she knew she could say anything to me without violating the sense of family love. Joseph, Michael, Maria, and Rocky , i love you all.*

“ I'll miss "Mom" and her warm welcomes; she had a way of looking at things and offering advice that was always frank and insightful. I know she will be missed by all but my heart goes out to her grandchildren who I know will miss her most.  
Please know that my heart and prayers are with you all.

“ Dear Rocky and family.  
So very sorry to hear of the passing of your Mom. My heart goes out to you at this time. I too know the void a mother can leave in your heart. She is now watching over all of you. May she rest in peace.

“ I was so sorry to hear of the passing of your mother, she was a wonderful person. We worked together at the National Park branch of the bank, some 40 years ago. My thoughts and prayers are with you.
