

Margaret A. Murphy

September 15, 1951 - June 30, 2019

Margaret A. Murphy "Peggy" (nee Schneider) on June 30, 2019 of Deptford. Age 67. Loving mother of Francis Murphy of Deptford. Beloved sister of Sue Lines (John) of Delanco, Mary Galgon (Timothy) of Bensalem, Robert Schneider (Valerie) of Myrtle Beach, SC and the late William Schneider (Eleanor). Devoted companion of Daniel Kellenbenz of Blackwood. Peggy leaves behind many loving nieces, nephews and friends.

Peggy enjoyed caring for all living things, opening her home and her heart to countless feline companions throughout her lifetime and tending to her garden. Her ability to love unconditionally and without judgement was appreciated by all who knew her. (As was her ability to organize the hell out of anything). Peggy's generosity knew no bounds, and she could always be counted on to share her shoulder, her advice, and her contagious laughter when her loved ones were in need. Above all, Peggy's sense of humor and uncanny ability to make people smile with a witty retort and sly wink will be deeply missed.

Please join us in remembering Peggy's life and celebrating her memory.

“ To Peggy’s family...my deepest condolences. There was no one quite like our PeggyAnn. She had a wicked sense of humor and a big heart. We were cousins, so our history goes all the way back to the beginning. We had such good times together growing up and as adults. I can remember the fun we had at our weekly skates at Holiday Rink when we were into rollerskating, of all things! Peg was with me the first time I traveled abroad when we vacationed in Jamaica. What a hoot she was. I’m glad she’s no longer suffering, but I will miss her. She was taken from us way too soon. Gone, but never forgotten. Godspeed, Peg. 💔

“ Peggy,
No words can ever describe the amazing human being you are! You were such a true friend of mine from the moment you and I met! I loved going out to eat with you and loved sharing stories with one another. You treated me so well and most of all my daughter, who also loved and adored you so much! She truly thought you were the funniest and really liked being around you. So, that always meant more to me, then you will ever know! I can go on and on, about so many things we will miss. But, know one thing, you were and always will be my truest friend! Love ya always and forever. We were there for one another, and that was a blessing. Your at peace now and that is a good feeling knowing your not suffering no more. You are watching above now. Your wit is recognizable and will be so missed.
Love, Sara and Julia

“ I am so very sorry for your loss. Peggy was so full of wit and humor. She always made me laugh. Her and Dan were soul mates, and I am so thankful they were able to spend these last 4 years together. May she rest in peace. You are in my thoughts and prayers.

“ Peg was a staunch Trump supporter (NOT)!. I called Peg the late night fridge raider, as she would always raid the fridge at 1-2 o'clock in the morning while we were sleeping. She was the most loving and caring person i have ever met. I will miss eating Santucci's with her!

“ Peg, my sister, my friend. Peg was always there dispensing advice and guidance to me as a young teen when my mom wasn't around to help with those types of things. She would get mad when i wanted to watch the Muensters and she wanted to watch Dark Shadows after school. As a teenager, I used to have so much fun with her teaching me how to make mix tapes from her many albums! She loved fiercely and loyally, especially her cats and of course, her Frank. Frank was her whole world, never leaving her thoughts. She would always tell me how much she loved Frank. Even being so sick, she spent months looking for her lost cat. I told her to knock it off and give it up, but she was right and found that cat! That made her so happy and i couldn't believe it. I still can't believe it. She loved our Diesel even though he slobbered all over her tube. He would chase her and she would run and he would stand on her tube which she swore was on purpose:) She loved our Jace more than anything in the world, and he loved her as well, ever since he was born. She had a very special bond with my son, Tim. They would sit and talk for hours and hours together. She was always in his corner and supportive. She lived with us for a year, and tried to organize the Galgons - good luck with that! I would undo everything and she would get mad and i would just laugh. She loved playing catch phrase and would laugh at my clues to the point of hysterics. They were always fun nights. I am going to give you some fairy dust to take with you to give to those waiting on the other side for me. See you some day again. Love ya Peg.

“ *Peggy Ann was a force to be reckoned with and that included how passionately she loved her family and friends. She was a special friend to me during some very difficult times in my life. I could always count on her to listen. She called me often to see how I was and never judged. When life was not being kind to her she always stayed strong no matter what. She was honest to a fault sometimes, so you always knew where you stood with her. She was funny and smart and very quick witted. Not much slipped by her notice. I am thankful we shared some time at our house not all that long ago...which regretfully is the last time I saw her. Rest in peace, my dear dear friend! Till we meet again! Love you!*

“ *From the minute I met Peggy Ann she treated me like a little sister. The first time I was at her house she must've had me in her bedroom for 2 hours trying on all the clothes that she couldn't wear anymore. From the first time I married Bud to the second time it didn't matter even in between she has always been my sister-in-law. Every time I would bring the boys to see Nan she would always show up and spend time with me. There is never a time I called her that she didn't answer I'm really going to miss that. and one of the funniest stories I can remember is all of us going out to dinner Bud and I were driving and she got a little tipsy and was flirting with the waiter. All the way back to the beach house she was so funny and kept saying that's turn around we all laughed so hard. and I'm so glad that I was there last September 15th and I cooked her and Dan dinner and dessert for her birthday. The smile on your face when I got there was priceless. You'll always be in my heart thanks for being you.*
