“ *Mrs. Pfeiffer was such a lovely lady. We are all a little bit better off to have known her at one point or another in our lives. She will be missed and remembered with much love and fondness. Jeff and Chris (and family) you are in our thoughts and prayers!*

“ *"Aunt" Marilyn will always be special to me and my family. She was like a second mom to me, always there to listen, to spend time with, a true friend.*
She was a wonderful friend to my mom, though they sometimes had their differences (we know my mom was feisty) they were always there for each other. They're probably up there bickering with each other right now; poor Charlie and Ed...lol.
Aunt Marilyn even left a lasting impression on my 4 yr old granddaughter, Bella, she always talks about having breakfast with her and riding her bike w/ her Pop-Pop Joe, up to Aunt Marilyn's house to visit with her.
We will always remember Aunt Marilyn with fond memories, love and affection.
Jeff and Chris, our hearts go out to you and your family, your mother always expressed with much love, how proud she was of the two of you. As always, if you need anything Joe & I are a phone call away.
Love, Cassie & Joe

“ To my big sister, sometimes life has a way of getting in the path of the most important things. But you have always been in my heart, and the hearts of Gary and the kids. Thank you for all the times we had, and thank you for all the big sister things you did for me. Always hoped I could find a way to thank you someday, but I'll try now by honoring your memory always. Jeff and Chris, thanks for sharing your mom with me and I am so sorry for your pain and loss. She was a great mom, sister, grandma, daughter, and aunt. We were all lucky to have her and I will always keep my memories of her close. Love you big Sis.
