“ So sorry to hear of Mario's passing. The last he and I talked a few months ago, he seemed to be doing really well. I still don't know what happened, but whatever the case, I hope he is at peace. Mario was so talented. He could do anything he put his mind to. He was also quite an entertainer as I've heard him play drums and piano as well as sing and dance few times. Prayers to Barb and the girls as well as Mark and Charlie and the rest of Mario's family. Rest in peace cousin...much love.
