“ Fiddy a little Irish music this morning.
What a true friend you have been. A beautiful women with a tune for life.
I know your worries were many. I can tell you this those 3 girls are independent women with a mom who did her best and because of that love their lives are a little better then their mommas. What every parent asks for their children.
What an amazing Nana ... the coolest.
Your soul is souring with the wind filling your lungs. You struggle are no more, for angles have guided you to heaven.
For none of us know how we will go on without the music and love you gave us all. For you are our friend, mom, Nana, aunt, partner are peace of joy.

I love you from heaven to earth my friend.

“ *I will miss Marj so much! I remember every time I walked into a room at work and heard the Rolling Stones on the radio, Marj was in there :) And every time I saw a cat with an Irish name, I knew Marj was the one who named it. My rocker friend, Rest in Peace, I will miss you so much and cherish all the memories we had together.*
