“ *Martin was the best brother in law and uncle in the world!! Our family will be at a loss with him not being with us. Could always count on him if I needed help with something or working on my car. I know that he is at peace now after being so sick and tired. But we will all miss him immensely!! Martin and I were buddies and I will miss that time with him.*

“ *Martin was a great person. Someone you could share conversations with as he was a good listener. The picture shows the smile he always had. We will miss Martin but we know he is in the arms of a warm, loving God. He is at peace and hope that his family over time will share in this same peace and the loving memories he has left behind.*

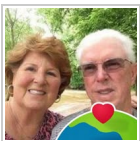

*Maybe Martin can put in a good word for the EAGLES. Go Eagles. We love Martin and will miss him dearly.*
