

## Mary Ann M. DiClemente

January 10, 1957 - August 2, 2025

MaryAnn M. DiClemente (Sincavage) on August 2, 2025 of Landenberg, PA. Beloved wife of Donald C. DiClemente. Cherished sister of John Sincavage (Lee), Leo "Buck" Sincavage (Lorraine), Edward Sincavage, and Joseph Sincavage (Margaret). She is survived by several nieces and nephews.

These are the lyrics from one of MaryAnn's favorite songs:  
"Love is the answer" by singer Todd Rundgren.

Light of the world  
Shine on me  
Love is the answer  
Shine on us all set us free  
Love is the answer

MaryAnn believed with all of her heart, mind, and strength that "Jesus the light of the world" and his love for her was the answer. So she committed her life to him and demonstrated that love towards those he brought into her life. Those acts of loving-kindness were apparent to her family, lifelong friends that became family, and those that were brought into her life through their need for a helping hand.

She was lovingly called "My Queen" "My MaryAnn" by "Don or Dom" (she

referred to him as both) her husband of forty one years. They built a dream life together. Both of them putting the other first, exemplifying their love for the Lord and each other.

Her nieces and nephews fondly called her Aunt Mar. Her great nieces Sara and Anna had a special name for her that only they called her and it was Mar-Mar. She loved planning special dates with them. They would have sleep overs and she would have their most favorite things for them to do and she loved it more than they did. Anytime spent with MaryAnn was an adventure, she always came prepared. She made everyone feel special like you were her most favorite person in the world. She would always have a bag chocked-full of your favorite things. She would bring coffee, cookies, candy, wine, bread, and of course "NO CHEESE".

She loved traveling with Don, loved the Christmas tradition with family and friends and always cooking ravioli for the day, shopping with friends, going to Johnny Mathis concerts, the beach, helping others to decorate their homes, and she loved to organize! One of her favorite things to do was to help organize your home. She had a tender place in her heart for widows. She would help in every way possible.

It was said about MaryAnn "That everything she touched turned to gold." That certainly was seen in her professional life she worked in the Interior Design industry for a close to 40 years. She was the proprietor of an interior design business; she became a Sales Representative for a wallpaper company and eventually was promoted to the position of National Sales Manager. She traveled throughout the United States and Europe representing her company at Interior Design trade shows. Her work ethic was described as impeccable and everything she did was to the best of her ability. She was known for her sense of style and her attention to detail. At the same time, she always put people first. She had the perfect balance because God gifted her to be a

servant and a leader!

MaryAnn had a life that was well lived, and she was blessed by God. She always loved him first and then loving people. That's the true meaning of having a servant's heart. God's love always flowed through her! To MaryAnn "Love is the answer".

“ *Mary Ann, my Irish Twin, you've been there my whole life playing, guiding and protecting me, and being my confidant from the day I was born. You were surely, the "Wind Beneath My Wings" as Bette Midler's song goes and "Did I ever tell you You're my hero?" You will be sadly missed, but in my heart and memories you'll live forever. Now I have another Guardian Angel to look after me and our families. Thank you for being you to me. Until we meet again, here is a virtual hug. Love you, "Eddie" (one of the few who could call me Eddie and not Ed) Rest in Peace, Sis.*
