“*Mom Mom Bittner was not just a Great-Grandmother Grandmother Mother Wife or sister. She was a friend. She knows that all of her family loves her! Even if she is not around us she is most definitely not forgotten. I know I will cry every single year on my birthday because I know where she is, in my heart. I even have conversations with her in my head. I love you Mom-Mom Bittner!*

“*To All The Bittner's, significant others and relatives, I am so, so sorry for your great loss. Although your mother was 79 and had what some consider a long life, I know how much pain you are all going through, as I know you loved her as much as I loved my parents. You are a great family, stick together and we will all pray for your hearts that bleed now. Love you, Michele Keane*

“ I just viewed the video tribute and could not stop tearing up. What a wonderful life Mrs. Bittner had. Such a loving family and all the memories to last you all a lifetime. She will always be remembered by Wayne and myself as a kind and funny person. When I told wayne she had passed he started to tell me about the early days hanging with Gus and Danny and the guys and how Mrs. Bittner would keep an eye on all of them. She was the glue to keep it all together even in times when there were tiff's in the family, love endured. Our hearts go out to all the family and take comfort that she is in peace and reunited with Gus and the kids.

“ Words can not express how deeply saddened I was to hear about your passing.Mrs. Bittner was loved and respected by so many. She and Mr. Bittner touched so many lives.I will miss her stories, one that comes to mind is about the fort the boys had built in the woods in Deptford, and she found out she was paying for the electricity they had hooked up to her house.Mrs. Bittner, you are a huge part of my childhood memories. I will always love and respect you.

“ Julie,Joanne,Cindy,Danny,Karen. To all of Mares beautifull Grandchilren. Word can not express my sorrow right now. I want you all to know how much I love you and that my heart is broken for the Bittner family. She was an amazing lady that I will never forget. I am so thankful for the months we spent together talking,laughing,AND napping together. I adopted her as a Mom. I enjoyed every moment with Maryanne. Even the therapist thought I was a daughter...LOL. She is at peace now with her Husband Gus and children who entered Heaven before her, and her Grandson Nicky. Time will heal your broken hearts but she will be with you everyday in your heart and memories.
Love You All Sandy.
