“ *So sorry to learn of the passing of Mary. How well I remember so long ago the pleasant times we spent with her and the family. I will always cherish those times. And who can forget those terrific Italian dinners she prepared? I will miss you.*

“ *I have almost 30 years worth of great memories with my Mom-mom. As a child, I remember being filled with joy and excitement every time we crossed the bridge to visit her. She made our Christmases magical. And we always loved to go see her at the restaurant because she gave us soda, in the big red cup with ice and a straw. As I grew older, she guided me with advice and words of wisdom and love. She became a Great Grandmother for the first time to my oldest son, who adored her, and still does. As for my baby son, he filled her eyes with happiness as he smiled at her. She will be greatly missed by all of us, and we will carry her in our hearts forever.*
