“ Ed and I wish to express our deepest sympathy to Jack Mary Terry Bobby and Ken. We wanted to let you know how much we will miss Mary that she was a lovely giving person. When we would plant flowers at Ritas house she would always come out and remark how beautiful the flowers were. She loved the butterfly bushes and always had luck with her herb garden. She will be greatly missed.

“ Dear Uncle Jack, Mary, Terri and Bobby, My thoughts and prayers are with all of you. Aunt Mary was a kind, generous, funny and down to earth person. It has been a privilege having her in my life. I will always remember her singing The Yellow Rose of Texas at one of our many family parties. At least, I think that was the title? Also, I will always remember her smile and laugh. She had a smile that made you feel good inside. May your memories comfort you. We love you all and will miss her very much. Love, Kathleen
