

Mary Patricia Cullen

September 14, 1957 - March 19, 2026

Mary Patricia Cullen (nee Moss) on March 19, 2026 of Deptford. Age 68.

With deep love and sorrow, we remember a remarkable woman whose life was defined by warmth and kindness. She passed peacefully after a day beautifully spent in the company of family and friends.

In her final moments, she was surrounded by those who meant everything to her: her devoted husband Tony of 44 years (together 50) who always made her laugh, her beloved son Ryan who she was so proud of, and her daughter Maura—her closest confidante and dearest friend. Together, they formed the heart of her world, and it was within that circle of love that she found her greatest joy.

She will be remembered for her gentle spirit, her strength, and the countless ways she made others feel seen, valued, and loved. Her laughter, her compassion, and her presence will be deeply missed but forever carried in the hearts of those who knew her.

She is survived by her mother (Patirica), her five siblings; Carolyn (Jim), Gregory, Julie (Ron), Jim (Tara), and Mike. Her many nieces and nephews who she cherished, her great nieces and nephews who she adored, and her future son-in-law Pete who she considered her son.

Her beloved son Anthony (T.K.) was waiting and welcomed her with open arms.

“ *My beautiful Mary Pat,*

When I was 7 or 8 years old my father, Mom Mom, and Pop Pop whom all very religious individuals told me that the Lord works in mysterious ways. Fast forward to February 12th, 1976, when I was a sophomore in college. I started dating this red head freshman from Linwood NJ Mary Pat Moss.

27 days later the most important person in my life passed away, my mom 6 days before her 40th birthday. Little did I know at that time Mary Pat would be the love of my life, my soul mate, and best friend. So, my father, Mom Mom, and Pop Pop were correct that the Lord worked for me in mysterious ways.

Mary Pat and I have been together since that time and this February we have been together 50 years, married 44 years. She was the most vivacious individual I ever met, caring and a a big heart. She was strong willed, a go getter and highly motivated.

She loved to explore, ride horses, sing and dance. One of her favorite things was to go down to Cape May during the bird migration, as she had her binoculars admiring the different species she could see and identify. When we would arrive at home she would go through her book describing species of birds and look for the ones she viewed. She loved when she found one she never seen before. She had a beautiful smile that would make my day.

Her sense of humor was unbelievable as she loved to play April fools jokes on TK, Ryan, Maura, and myself. She always made sure she saved the best for me. One of her best was paging me at work. She normally would page me, but this had to be important. I called her back immediately and she proceeds to inform me she was pregnant, then says April fools hae a nice day, goodbye and hung up. After I picked myself off the floor and composed myself, I called her back and said good one and we both had a good laugh.

Mary Pat was the corner stone of our family as she was named Patsy jr as she was just like her mom, Patsy. She was a great mom being involved in all our kids' activities, from school, dance, and sports. She was a room mother, helped with school lunches, even a substitute teacher when the school called. She was the PTA president which jokingly said I rigged.

When Maura went to kindergarten she decided to go back to work. She ended working at St John of God now Archbishop Damiano School. This was a special needs school as her major in college was Special Ed. Mary Pat didn't take the job because of the pay but for the love of these children. While working there she met many great friends.

She retired after 22 years and then went on to help when her father Vern became ill, even though she herself was dealing with health issues. Mary Pat had problems with her lungs unfortunately caused by years of smoking.

In 2020 she had to be on oxygen 24/7. This still did not deter her even when we had to travel and she had to take the air tanks. She was always a trooper and still was the same person that I fell in love with. She beat the statistics the doctors gave her in 2020 to make it until this year. Her determination and will power were truly displayed. Never feeling sorry for herself but worrying about her family even to the end.

Her physical body may be gone but she'll always be looking out for us as Patsy jr will always be in our hearts, minds, and souls. Mary Pat is now with TK who greeted her with open arms as she arrived in paradise. She will be reunited with her grandparents, her dad Vern, uncle Fran, aunts Barb and Mimi, her father in-law Drew, and she'll finally get time to know her mother in-law Eileen who is embracing and telling her embarrassing stories regarding uncle Forbes and myself.

Goodbye my love,

Tony

“ It is with great sadness that we have hear of MaryPat’s passing, we had the pleasure of having her for our daughter, Sloan’s aid when she was at St. John of God. Sloan just smiled when she saw her. We still have her pictures of the two of the imposed on the I Love Lucy show when they were working on the candy packaging line. We will remember her in our nightly prayers, God Bless to all.
