“ *She was so full of life, and shared it unceasingly. Four generations received her care, were touched by here unbridled spirit and knew her joy (and enjoyed her iced tea!). We will love her always.*

“ Dear Charles, Mary, Roy and Pierson Family,

I am deeply saddened to learn of Mary's passing!

From the time I was 10 until in my 20s, I can remember many wonderful times spent with the Piersons, and Mary was always the most kind, considerate, and fun lady to be around. I spent countless hours playing basketball day and night (with scores of other guys) in the Pierson's backyard that always had the lights on; we enjoyed the shore or boating with the Piersons in North Wildwood during the summer; and, I even remember racing Mary on ice skates at Woodbury Heights Lake a few times.

Those are just a few of the very many wonderful memories of my youth that Mary was part of---she was truly a part of what I consider a truly wonderful time while "growing up."

While I am certain this is a time of great sadness for you, I am certain that the wonderful memories you have of Mary will, in time, once again bring a smile to your lips and a twinkle to your eye every time you think of her!

With deepest sympathy,

“ I always remember either sledding or riding down Pierson's hill when we were kids and she would watch us out the front window. I remember her all throughout my childhood even before Uncle Chuck and Aunt Dee married! She was a wonderful lady.
