“ *Dear Al, Rann, Lisa & Michele; fist of all I would like to tell all of you how proud of you I am for the excellant job you did with your mother. You were with her 24/7. You did everything you could have done for her and I am sure she knew all that you were doing. Your Mother was a gentle and good person from the time that she was little and she always kept to herself. She was a lot like Rann, very quiet and shy. I was the bad one and she was the good one. We had a great time when she and Rann came to the shore. She loved her old time rock and roll, and loved to sing and dance. I always worried about her when she was little, and I made sure that no one bothered her. I hope Mom and Pop are up in heaven taking care of her her now. I loved your Mom and and miss her very very much. Again thank you very for taking such good care of your Mother, my sister. My God, I will miss her so very much. Don't forget I am always here for all of you. LOVE you all, Aunt Jo and Uncle John.*

“ *Al, Rann, Lisa & Shelly, I wish to remember your Mom as a great, warm and caring person. No matter what came her way she never let it get the best of her. She was a real fighter, even when it was near the end, she kept on fighting.*

I loved her dearly, she was my sister and she was also my friend. Anyone who met her liked her, then once they got to know her, they loved her. That was a gift that she got from Pop.

I know for a fact how proud she was of all four of you. You guys took great care of her all the time, but when she became ill, the four of you did everything to make her last days as easy as they could be.

So when your hearts feel heavy, try what I do, think of all the happy times and all the good memories she left us with to keep in our hearts forever. But for now, we all need to be happy and proud that she touched our lives in so many ways, like only she could do.

I know she is in Heaven watching over all of us, and dancing at the same time.

God be with all four of you. I am very proud to be your Aunt. God bless you always.

Love, Aunt Al

“ Wow, i can't believe this happened so soon. Even though I wasn't always here with yu, we still had a lot of fun memories when I was. I miss ALL of those memories, like baking chocolate chip cookies and fighting over who got the most marshmello in the chocolate marshmello icecream. Also when I ate over for dinner some nights. Yur chicken cutlets were the best anyone could EVER make. NO ONE could be as good of a cook than yu. I miss yu so much and yu STILL mean SO MUCH to me. Without yu here, things are going to be rough, but I know, well we all know that yur in a better place now. When I get older, I'll see yu again and we'll all be happy, like we were before. I'll miss yu til then and I'll ALWAYS love you!

“ *I never thought this day would come so soon. I knew when i was younger, i could always count on you to help me with my problems. Anytime i needed anything I would always come to you first before anyone, including my own mother. But after the past few years, you inherited so many of your own problems, that you couldnt help me anymore with mine. They were the roughest years of my life so far. But i know now, that your in a better place and your enjoying life so much more. This hopefully will help me carry on and live even tho your not here with my anymore. I love you so much and one day I will see you again.*

“ We pray that you find comfort in the love shared by all of you for your mother, and hope that you will remember the happy times you had together.

There is a famous quote that I want you to hear. It goes, "All that I am or hope to be, I owe to my Mother."

Remember that she is not gone, because she left a part of herself in each and every one of you. Stay strong, and most importantly, stay together! Love, Linda Pillitteri

“ *Ran and Family*

I am so sad to hear of the loss of your mother. I know that she was a very special person and that you all loved her very much and will miss her dearly. Just remember your mother is safely home and at rest, now an angel and still watching over you. Sadly I cannot be with you in person on Wednesday but I will be with you in spirit. Ran has been a special friend to me and I am sad I cannot be there to comfort her. You will all be in my thoughts and prayers.
