“ *I'm so sorry for your loss. Even more sorry that I could not be there more to support and help out. I believe that loved ones never really leave as we have witnessed with the secretary desk at the house. Gram and Bobby are always there letting us know they see and love us. You are all in my prayers and I wish you peace knowing that she is in a much better place and has company like Gram and Bobby, all waiting to be with us again.*
