Deb and Family- this is Tracey, Indias neighbor and friend from Chino Hills, CA. I just heard about Uncle Matts passing. Im so very sorry for your loss. What a beautiful tribute! It was wonderful seeing all the photos and finally meeting Aunt Jennie! Your family was the family India relied on. She loved you all so much. Im so honored to have met your Dad (and to have learned to play 5 Crowns- Uncle Matt's Rules!) I've never met Sharkey, but India talked about her so much. Please tell her Im sorry for her loss... Im a friend she never met. I wish I could have been in on some of those card games! It was wonderful to see your family in this tribute, wonderful to see your mom and dad together! What a life and legacy! May they rest in peace at last and forever. My heart goes out to you and your family. Im so happy to have met your dad who will forever be my Uncle Matt.

“ My deepest sympathies, thoughts and prayers go out to Matt's family as they mourn his passing. I'm certain that Matt has moved on to be with Ginny where they can continue where they left off. Matt was a fantastic guy I was honored to call a friend and colleague while we taught together at Monongahela Junior High. I was a young teacher and really respected him and always appreciated his words of wisdom. A truly great educator, Matt loved working with his students. Rest in Peace friend. Gary Swenson
