“ *I had the distinct pleasure of working with May at Wachovia. She was a joy to work with and always made me smile, even if I was having a bad day. She always labeled her pens at her station, so one day I decided to label everything at her station: her keyboard, stool, chair, etc. She came in and started to laugh. I will always have that fond memory of May.*

“ Bob and Family, I am so sorry for your loss. I worked with May at First Union Bank back in 1996-1997 and we became good friends. I was over your house all the time. May was the greatest friend and person I have ever known. She always made me laugh and seeing her made me smile. Time passed and we did not see each other often but kept in touch thru phone calls and Christmas cards. I will miss her and keep you in my thoughts and prayers.
