“*Maryann, Genero, Gianna and Domenic: There are no words that could express the sadness I feel. I remember that sweet, happy go lucky little girl who grew into a kind and loving mommy. Melissa left us way to soon but I know that Our Lord needed an angel and only Melissa could fill those shoes. Melissa is now your Guardian Angel watching over you in your darkest times. She will guide you and watch over Domenic everyday. We are so sorry for your loss.*

“*Maryann, Gennero, Gianna and Domenic. There are no words that could express the sadness I feel. I remember that happy little girl who was always so kind and friendly when we saw each other. My heart hurts that she left this world way too soon. The Lord needed a special angel and Melissa was the only one that could fill those shoes. May she be your Guardian Angel during this difficult time and in the days ahead, especially guiding you while watching over Domenic. May your memories of Melissa live on in your heart. RIP Melissa ????*
