“ to the Family of Mel Beer,
I am the Office Manager at the Clusters. I have met your Father several times and he was a very sweet and kind man. I just spoke with him the Friday before his accident and he was so proud of himself, he just completed an aerobics class and said he had so much fun! Please accept my condolences, he will be missed by all of us at the Clusters.

“ Julie, You and your family have been in my thoughts and prayers all week. As you know, your father was a great man and loved you, Michael and Alicia very much. I know this is a hard time for all of you, but just know that your dad is at peace now with your mother, who was the love of his life. You have been there for him and your mom whenever they needed you, and I know they would both appreciate this wonderful tribute. You and your kids have been blessed with a loving father and grandfather, and that cannot be taken away. Call if you need anything...Thinking of you always.

“ Alicia: My most heartfelt sympathy goes out to both you and your entire family during this very difficult time.

The memory of meeting your dad will stay in my heart forever as does the memory of my dad. I remember laughing with your dad while meeting both him and your mom for the first time at the hospital. He had us all laughing yet underneath he had an inner strength and sense of serenity that helped during your mom's struggle.

I had a wonderful time while with them, as short as it was -- I see the best of both of them in you and can see why you are the person you are today. What a wonderful gift to have received from your parents.

Know that your dad is in your heart and mind forever and all you need do is reach out to him for the strength you will need in the coming days.

Please reach out to me if you need to -- I am here for you as well.

All my love, Kathy
