“ *Everyday that passes, I learn more and more. I'm sorry for the way I acted but at the same time I'm not cause I acted like you. I know you're proud that I stood my ground, even though it was against you. I spend so many hours wishing you woulda shook me awake but I understand why you didn't/couldn't. Just know that I'm very proud to be your daughter and to be just like you. Also rest easy knowig that your daughter-in-law loves me more than you can imagine and I'm very well loved and taken care of. I love and miss you, Pop. Love always, JR*

“ *I first met Mel in 1965 in sunday school of all places. I have so many stories that I could fill a book. We were like brothers for almost 30 years but what happens so often in life with time and distance, we drifted apart. I have not seen him in 20 years. RIP old friend*
