“ *There is nothing I can do, to make him come back There are no words I can say, that can replace the words you long to hear  
There are no answer's I can give, that will satisfy your questions  
There is not another soul I can introduce you to that will ever replace his And, there is no love I can offer that will ever replace the love you shared  
I can not promise your broken heart will ever be complete I will not say it could have been worse I will not deny it was a tragedy I will not lie and tell you he will come back  
He never really left  
I do promise he hears you when you speak I will say he loves you no matter the distance I will not deny he is in a better place And, I will not lie; he is waiting to greet you someday  
He is every step you take He is in everything you do He is the air you breathe He is every beat of your heart  
" He is like the wind. You can not see him...but you will always feel him"  
LORI..I AM HEAR FOR YOU AND THE GIRLS. PLEASE KEEP IN TOUCH. LOVE YA..DEBBIE*

“Lori, Kathryn, Louise, and Rich-and everyone else I just found out about Michael, and my heart goes out to you guys. I remember playing with Kathryn and doing things just to bug Michael. I will always remember him as he sat on the couch listening to music rocking back and forth. Not sure why that is a memory I keep, but still makes me laugh thinking about it same way I did when I was 5. I heart goes out to each and everyone! He will be missed!

“ Lori and girls I talked to Heath today and he wanted me to tell you that he is sorry he could not be here but you can call him at anytime. Heath and Chez were always together and doing crazy things Lori you should know the times we would look at each other and just laugh. Heath reminded me the time we went to great adventure and went on the ferris wheel and chez stood up and started to rock it and I almost got sick. That was right after your prom. That day was a blast.

“ Lori you and the girls are in my thoughts. Just thinking of the way Chez is puts a smile on my face and remembering the shit we did not do growing up like learning how to drive or just to get us to laugh or smile he would do something off the wall to get a smile. I will 4 ever love him and just to know him and have him in my life I was lucky..

“ Michael was a wonderful son, brother, husband, father and friend. Sometimes life just doesn't seem fair. I will miss Michael immensely. I have known Michael and his family for 37 years. Michael was only 7 months old when we became neighbors. I pray that his family can pull themselves through this. Time does heal even though right now it does not seem like it. I love you all.
