“ Since my brother, Michael had no Eulogy, I will try to give him one here on his memory page.

My brother, Mike was my protector and always defended me.

Michael was so close to my mom and dad and was devastated when my dad died. Michael was always close with my mom and remained close to her to his last dying breath.

Mike was there for them and lived with my mom and dad. My mother would have been so lost without Mike.. he was always at her beckoning call, and did whatever she asked him to do or whatever she needed. Michael had a great sense of humor, and I personally loved all the names he made up for different people that he thought was dorky mccorky from new yorky. Mike did not have a mean bone in his body and was such a sensitive man and I so love that about him. I always said, he had a heart! I have so many memories of Michael .. when he was a very young little boy, I remember I would love to hug him, because he was so affectionate. Michael stayed affectionate and sensitive for the rest of his life.. he truly had deep feelings for everyone.

Michael barely talked about anyone, and never said a bad word about anybody.

I will miss you little brother.. and am anxious to meet up with you in our Eternal Home with our God. RIP Mike..you were so loved by everyone.

Finally a heartfelt, beautiful eulogy for Mike. Very fitting, Peg. You are so right, Michael will be sorely missed. May God fill the holes his loss has left in your life, your Mom's life, in the lives of the many friends and relatives he loved.

“ I'm so sorry to hear of Uncle Mike's passing. He was a sweet, kind man that did everything he could for his family. He was Loyal to his mother, and loved her very much. It saddens me that I can't be there for the family but know my prayers are with you all.
Love you Uncle Mike and all the Cullen's

“ (Continued) One of the things our God does as we transition from our human life to our eternal life is that he erases every flaw until we stand with Him in new creation. Im certain your heart, your love, your smile, your humor, your hopes, your dreams, your care, your faith will shine forth for all eternity and your chains will be gone forever. May you rest in peace. Til we meet again.

“ *Michael was a beautiful person. He was smart, funny and a man full of courage. It was too funny..if the Eagles won and you were in the same room then you were good luck..if they lost, you were bad luck and banned forever from the room. Till we meet again little brother..your big sister, love and prayers forever, Peg*
