“ *The Marine! It is an honor to have been able to call him friend. So many years, so many shared memories and stories. Softball, crabbing, and the stories about fishing trips, Jerry, at KFC, we didn't win much but nobody laughed like we did! Vegas, so many years. Many a beer at Three Points and then Nippers where we always got the days Waste Management updates. Always had a story. One thing always came first, his family. What a great dad, son and brother. The man would do anything for you and that dry sense of humor.*

I am going to never forget him and the joy he brought with him. See you sometime in the future my dear friend.

Michael and Kelly, you couldn't have had a better father. He was truly one of a kind.
