“ I am so grateful I had the opportunity to work with, and learn from, Mike. He would take on any challenge and wouldn't settle until we got it right. When we worked together Mike was my sounding board and my go to leader. He even flew my work laundry home from the UK so I wouldn't vacation with it. Mike was always willing to help.

“ *My deepest condolences go out to Mike's family and friends.*

I worked on several projects with Mike, at Boeing, and I admired his energy and can-do attitude as well as his great sense of humor. He'll be missed.

To his family and friends, may the warm memories of Mike live on in your hearts forever.

God Bless,
