“ *Just wanted all of you to know that I'm thinking of you today - on his birthday. You have so many wonderful memories and so many great stories. How lucky we all were to have known him and to know all of you!*

“ *On Mike's birthday, our thoughts are with his loving family...especially Donna, Mikie, Deanne, Mark, Ryan and Alex. Whatever Mike did, he put his whole heart into it~ playing ball, working at the bakery, watching the Phillies & the Flyers, playing with the kids. We talked about cooking shows on TV & know he enjoyed eating too. We enjoyed those family get-togethers at the farm in PA, with mom's delicious meals. Mike was a great guy! I'll always remember his voice & his laugh. May your memories comfort you in the days ahead.*

“ To Mike's Family, I am so sorry for your loss. I first met Mike while shooting darts on Thursday nights in Bellmawr. Many an evening there followed by a trip to 3 Points created some unforgettable memories. I will always remember his smile, his laugh and sense of humor. We need more people like him in this world. He will be missed.

“ The first time I met Mike I was taking a walk and a dog went after me. As I stood there screaming I saw a guy with a mail carrier bag over his shoulder running toward the dog with a can of mase in his hand yelling. The next day Mike knocked on my door, gave me my mail and a can of mase telling me not to walk without it. He also told me not to tell anyone where I got it because it was government property !! He was a great guy and I am so very sorry for your loss. Jeannie Flynn

“ Sadly, South Jersey softball mourns the loss of one its great power hitters and moreso- a classy guy. I can remember playing against him (Capri Foods), years ago and he sailed a few over my head in the outfield. He was always a quality guy, whom I'm glad to have known. My condolences to his family.

“ *We will miss him, but, we will always have good memories. Some of our earliest memories are meeting Donna and Mike at Wildwood Crest and staying at the Nomad. That was before kids so we actually had some money for vacation. We enjoy when all of you come up to PA and have family dinners....and I know Mike especially enjoyed all of Mom's cooking, as we all do. When he first got sick I talked to him on the phone and he told me what an angel my sister was...I told him I already knew that. He knew then that she would take care of him. He knew how lucky he was to have her in his life. I will always remember him as a big strong guy, who loved Philly sports, loved his family, he was so proud of Mikie and Deanne, was crazy about his grandkids and of course, his special love for his angel.... We love you all.*
