“ *Gigi Lewis...we were close playmates in Oaklyn when he lived on Manor Ave at the end of my street (Landis). I probably haven't seen him since we were tots. I was looking up family information in findagrave.com when I came across his photo, and I still recognized him. Throughout my life I have thought about all of the good times I had growing up in Oaklyn, and he was often part of my memories. I extend condolences to the family. From what I have read, it sounds like he was a fine man.*

“ *I would just like to say that Mr. Lewis is that kind of person you come across once in a life time. No matter what you needed he was always willing to offer it. Weather it was an extended hand for help,a shoulder to cry on, an ear to listen or advice, Mr. Lewis was first on the list to call. Mr. Lewis was so special to me because he never judged me. To most I come off as a bad kid, but Mr. Lewis never once brought up anything i,ve ever done. He saw me for the good in my heart and the person he always encouraged me to be. He's taught us all atleast one lesson in life, but to me he taught so many. I'd like to thank you Mr. Lewis for making me alwasy feel welcome and for every lesson you have taught me. Most of all thanks for being my good friend and all the laughs we've shared. We will meet again one day brother. I love you Mike*

“ Michael so sorry for your loss. Your dad was such a nice person. I just wanted to send this poem that someone sent to me when my father passed away.
"Grief is something not to overcome, but to live with. It is always there, but one can make room for it, recognize it as a companion instead of an intruder, beware of it, but not possessed by it, one can continue one's work, one's occupations, even one's joys, in its presence."
Our deepest sympathy to you, your mom, brother and sister.
Love, Joann & Paul

“ *Kathy and family,
I want you all to know how much everyone cared about your husband and father. In all the years I lived, worked and volunteered in Bellmawr, I never heard anyone say anything bad about Mike Lewis; on the contrary, everyone always had a funny story or kind words about him and your entire family.
My heart and prayers go out to you all. I know there's no real words to comfort you; but know this, whenever he talked of his family it was with pride and joy. I remember one day he came in to school and said he hoped that Michael would get the job as custodian, and he did. He was always proud of his kids at the chess tournaments, loved the fact that they were active in sports and bragged whenever he could.
Kathy, when Mike spoke of you he was so proud of you and your job. He always acknowledged how hard you worked. He spoke as a man in love with his wife. I will miss him waving to me or complaining with the rest of us about the bar traffic. Mike will be missed by many but remember by more.
Remember I am just around the corner if you need anything. My home number is 931-5042 and my cell is 1-609-319-7710.
My family's thoughts and prayer are with you all. God bless you. Fondly, Joan Crane and family*
