

Michael M. Plunkett

April 24, 1954 - April 13, 2024

In Loving Memory of Michael Plunkett.

Mike Plunkett, beloved husband, father, grandfather, and esteemed member of the community passed away surrounded by loved ones on April 13th, at the age of 69, in his home in Woodbury, NJ, after a long and courageous battle with frontotemporal dementia. He leaves behind a legacy of love, laughter, and profound impact on all who were fortunate enough to know him.

Born in Newark, NJ, on April 24th, 1954, to his late parents Joseph and Irma, Michael was a proud graduate of Glassboro State College, under the guidance of his good friend and mentor, Joseph Mayes. During his time at Glassboro State, he cultivated his passion for music and education, laying the foundation for his impactful career. Professionally, Michael dedicated himself to education, serving as a music teacher in the Deptford Township School District. His love for music inspired countless students; and his guidance left a lasting impression on all those who had the privilege of learning from him.

In addition to his role as a teacher, Mike was deeply involved in the community. He served as a choir director at St. Patrick's Church in Woodbury, where his passion for music and devotion to his faith shone brightly. His leadership and talent enriched the spiritual lives of many parishioners.

Mike's love for life was infectious- he enjoyed countless hours on the beach in Cape May and Wildwood teaching his children, nieces, and nephews how to boogie board and fish. He also had a deep love of History that he passed along to his children through his Civil War Band and many trips to Gettysburg. Mike felt a deep connection to his roots in Ireland and went on many trips there with his family. He greatly admired Irish music playing in numerous Irish music bands and attending frequent sessions.

Though Mike is no longer with us, his spirit will forever remain a guiding light, inspiring us to live each day with purpose, compassion, and love. He will be deeply missed by his family, friends, students, Holy Angels community, and all those who had the privilege of knowing him. He is survived by his loving wife Maggie (Hughes), siblings Susan Rosenberger (John), Edward, Joe (Raphael), and John, children Matthew (Ruth), Michael (Stephanie), Elizabeth (Monica), Seamus, and Ciaran, and grandchildren Onyx, Clara, and Cooper. Mother-in-law Susan Hughes, cousin Charlie Reiley, and many nieces and nephews.

Relatives and friends are invited to attend a visitation on Friday, April 19, 2024 from 7pm to 9pm in The Chapel at BOUCHER FUNERAL HOME, 1757 Delsea Drive, Deptford, NJ 08096.

A Mass of Christian Burial will be celebrated on Saturday, April 20, 2024 at 11:30am at Holy Angels Parish at St. Patrick's RC Church, 86 Cooper St., Woodbury, NJ 08096.

“ *We moved from Woodbury several years ago, but we have often talked of how we miss Mass with Mike playing guitar. We gained so much more from the music at those Masses. For that we say Thank You. Always friendly and kind. We are appreciative and send all our sympathies to his wife and family.*

“Michael and I were befriended as young men in Cape May Point, NJ. Summers at this idyllic spot provided us relaxed time and youthful energy to swim, play volleyball, party, take walks on the beach and play LOTS of music. Michael encouraged me to better my guitar playing skills. He was a great teacher (it was inborn), introducing me to harmonics and the fingering for the Beatles tune BLACKBIRD, a real challenge for me at the time. The repertoire of music we played - CSNY, Joni Mitchell, Dylan, Doc Watson, Pete Seeger, etc. - still beats strongly within me. We'd soulfully sing and harmonize with various groups of family and friends. I so wanted to play classical guitar as beautifully as he could and did begin instruction in college. But he was the supertalent and I remained pleased enough with my ability to amuse myself and entertain others. Thank you for the gift of your friendship - your kindness, humor, love and understanding. You remain alive in my heart forever.

*Due to medical concerns I'm unable to attend Mike's funeral. I'll be in a church (a nearby Franciscan Friary) memorializing my friend at the same time his funeral is occurring today.
Rest in sweet peace, free from suffering. I love you, Michael.*

“ To Maggie and Mike's family, I'm truly sorry for your loss. I think of what Mike meant to me, and hear so many other former students saying the same thing, and it occurs to me that we weren't even family. He did so much for us that I can't imagine what a loss this is for you all. Mike would write music out for me when I was child, and even as an adult, in the pre-digital age. Any time I asked. I still use it. But where on earth did he find the time? He must never have slept! I loved him as a teacher and music director, for his talents and for his sense of humor! Attached is one of 2 photos I had of Mike. It may have been the last time we played music together. Later, he was so kind to talk with me at my mom's funeral. I will always remember him and try my best to follow his example. God bless you all. Carol Jarzyna

“ I am so saddened to hear of Mr. Plunkett's passing. I call him that because he taught both of my sons and that is how we know him. He was always friendly in the halls at Oak Valley and always had a kind word and a witty remark to say. He was a great teacher- tough but always fair. My heart aches for Mrs. Plunkett (who taught my oldest) and her entire family. The world is a better place because of people like Mr. Plunkett

“ Sending peace and love to the Plunkett family. Mr Plunkett was such an incredible human and inspiration to our students and to the Deptford community. In our family - we continue to share stories every year of where the kids love of music first began ...and it was with Mr Plunkett. The passion and pride he ignited in his students was incredible . I am grateful that our family was able to benefit from his light and love. Our kids will carry his early lessons of pride and belief in oneself well into their future lives. Thank you, Mr Plunkett. .

“ Mr. Plunkett was my music teacher at Oak Valley. He was so funny and kind. He gave me tickets to the Deptford High production of My Fair Lady. I had never seen a musical before. That experience changed my life.
I've been teaching for 32 years; every year I bring students to Broadway. Mr. Plunkett introduced me to a new world; it changed my life. So grateful to have known him.

“ Mike was one of my biggest supporters in my music journey. He arranged for me to play a flute solo with the choir when I was 10 years old, and that support continued into adulthood as he cheered on every step of my music career.

I remember an assignment he gave us - I don't remember exactly what we were required to do, except that at age 7 I looked through the yellow pages (this was the 90's well before Ask Jeeves!), found the phone number to the Philadelphia Orchestra, and called them to ask how much money their orchestra members made 🤔

He was a kind person, a wonderful musician, an amazing teacher, and had a fantastic sense of humor. I will be donating to the Mike Plunkett Music Memorial Scholarship Fund that will benefit Deptford High School graduates going into music. His legacy lives on through his students 🍀❤️🎵

My prayers and condolences go out to the Plunkett family. As I moved to Arizona over 20 years ago, I was unaware of Mike's health problems. I knew him through the Diocesan Choir of Camden and he taught me to be a choir director. You could not find a better musician or, for that matter, a better human being. I will always remember him. Rest in peace, Mike.

“ Mr. Plunkett was a master educator. We didn't always agree on the "best" genre of music, but he always had a open mind and helped to teach me to have one as well. He was talented, compassionate, and funny; the best of mentors. I had the unique experience of not only being his student, but his coworker as well. He is one of my teachers that has had a great influence on my world, and countless others. It saddens me to hear of his passing. My deepest condolences to his family.

“ Mr. Plunkett was one of “those” teachers - the kind you never forget because of their enthusiasm, talent, and humor. I've never forgotten the memories of summer marching band camp at Deptford High School - in the heat, on the asphalt. “Plunk” could always make us laugh. My condolences to the family. Rest easy, my friend.

“ He was my music teacher when I started Oak Valley in 1983. Two of my boys who have excelled in music were also blessed to have Mr. Plunkett as their elementary music teacher. This graduating class of 2024 had Mr. Plunkett his last year teaching when they were in 4th grade. 🙏 for his family.

“ I'm so sorry to hear this news. Mr. Plunkett has been known to me, as long as I can remember. That is because, he taught 3 generations of my family! I remember my Grandmom talking about him when he taught my aunts! Then many years later, he became my teacher. I still remember songs we sang in music class especially at Halloween time. Then, as an adult I went to his home to arrange his performance at my wedding! Several years later, he became my daughter Rylan's music teacher just before he retired! Mr. Plunkett was and always will be a true Oak Valley treasure. My condolences to his family and friends as I know he will be greatly missed.

“ My heart is so sad at the loss of my dearest friend. Mike and I go back 45years. We shared raising our families along with all the joys and hardships that go along with it. Everything I learned about music I learned from my friend. We often sang together at weddings and funerals, and many times learned new music in the sacristy of the church right before the services! I will always remember the joy we shared when we sang together Being in the choir was a honor and I cherish the years I sang with such wonderful people. I will miss my dear friend immensely, but I know that he’s in the heavenly choir, probably conducting, whole, happy, and angelic...rest in peace Michael you will be missed.

“ I am grateful to Mike for the many years of beautiful music he provided as choir director and as organizer of St. Patrick's Day concerts. Most especially, I am grateful for his kindness and encouragment to me in my ministry as cantor. He has been and will continued to be missed at Holy Angels but I know he is at peace enjoying and singing along with the heavenly choirs!

“ I came to know Mike on the cusp of his courageous battle with FTD, a vile illness I was very familiar with. His beautifully written and highly descriptive obit are indicative of a life well-lived and one well-spent sharing the gifts he was blessed with. His love of family, friends and his faith will be remembered and celebrated when speaking his name, playing his tunes and attending the Mass. Slán, a Mike, go dtí go gcasfar le chéile muid arís. “ Mike Plunkett was an incredible music teacher who truly sparked my love for music. Thanks to him, I discovered classics like West Side Story, learned to play the recorder (still can!!), joined choir every year that I could, & even returned to sing as an adult for his retirement. He was a cornerstone of my childhood, and his soul will always resonate with me. His passion for music and his kindness were unforgettable to me, leaving an indelible mark on all the children he was able to teach... and although his memory may have faded, the impact he had on me will shine brightly forever.
