

Michael J. Powell

February 21, 1963 - May 2, 2024

Michael J Powell "Mike" passed peacefully surrounded by loved ones on May 2, 2024 of National Park. Beloved father of Michelle E Powell of National Park. Devoted grandfather of Julian Ford. Cherished Brother of Lorraine Baker and the late Denise Hogate-Powell. Survived by his father, Joseph E Powell, son of the late Lorainne Powell (Dick), Cherished nephew, cousin, and uncle. Cherished loving ex-spouse Elizabeth Powell "B.J", and a great friend to many.

Mike was a true Harley rider who loved traveling all over the world with his biker brothers. He loved his western movies and John Wayne, He always said he wished he was born before civilization was created to ride the land on a horse. Always had a smile on his face that's how "teeth in the face" became a longtime nick name. He loved using his unique skills building things from nothing to something, he loved doing things to put a smile on someone else's face. Making others happy was a passion he had. Setting up Lionel train platforms since he was young put a spark in his soul. He was an avid dancer, foot steps and rolls were his specialty. He was a hardworking bricklayer for 40 years and loved his job.
