“ *Our hearts and prayers go out to Coach Mike's family. He was a fantastic role model and dedicated coach for our boys. Though we only knew him for one year, he made a positive impact on them and they will take his advice and encouragement with them each time they stand at home plate. We are grateful to have known him and we pray for peace and comfort for his wife and daughters. With deepest sympathies, Matthew and Jude Martin and Family.*

“ You were such an amazing coach and I enjoyed day in and day out coaching next to you. You helped shape all of these girls to the young women they are today and I’m forever thankful for you. Please watch over us and give us the guidance we need when we need you.

“ This was October 1990. Steve, Mike, Cholly and I drove from NJ to visit Tom at UVA breaking down on the way! We finally made it arriving in the middle of the night. My mom was worried but she knew these guys were like my brothers and we'd be ok. Here was the picture I took of the guys having a much deserved beer after all the drama. We all had such good times back then. Mike was a great guy and a good friend. To His lovely wife, daughters, family and all that knew and loved him have my deepest sympathy in your incredible loss. I’m so sorry for your loss. Mary, you were his world and he was so proud of his girls. Always remember how much he loved you all. Please know I’m thinking of you and am keeping you in my prayers at this very difficult time. He always told me when I was down to replace a sad memory with a happy memory.
