Although I never met you , I am hopeful that you are now an angel to watch over your big brother and your parents and family. Apparantly God needed you to be an angel. And what a beautiful perfect angel you are! My prayers and thoughts are with your whole family to have the strength to get through the difficult days and to be there for each other. The next few days will be hard so make sure your watching over your family guiding them through with love and strength. Lord please help this family handle this sad and sudden loss of this perfect baby! Let them lean on others and each other to cope with this loss. May you find comfort and strength through Liam and your family and friends. I grew up with your Mimi and shes a special woman who will make sure your family is ok and will give them comfort! This is a lesson that life is so short and so fragile and to enjoy it to the fullest and never take one day for granted. God Bless you Michael as you soar into heaven as an angel! My deepest sympathies are with the entire family. God Bless you all!
