“ *I have been trying to contact Lucille since I went through my parents belongings after their deaths. My mom, Annette Burke passed in April 2015 and my dad in Aug 2016. I have a few pictures of Lucille and me and Charles (and I think one of Cindy and my brother). The letter I sent was returned to sender. My condolences on your mom's passing. I know my mom was in contact when you had a party for your mother a number of years ago. She chickened out at the last minute and failed to show up-- her health was already beginning to decline, though none of us realized it at the time. If you would like to have the pictures, please contact me at corrigan roberta@gmail.com and I will send them..*

Best,

“ *Dear Charlie and Family,
Please accept our deepest sympathies.
We know how tough it is to say goodbye...even when you think
you've prepared yourself for the inevitable.
You now have a lifetime of fond and wonderful memories. Cherish
them forever.
May she rest in peace.
