“ *I will always remember Nicky as the little boy who used to follow my Danielle! So sorry for your loss!*

“ *To The Kohlepp Family,
I just heard the news about Nick and my heart breaks for all of you.
I'm trying hard to find the words to comfort you but cannot find them.
I am so, so sorry for your loss.
I will always remember Nick riding his big wheel up and down
Anchor street; those big brown eyes, curly hair, and always a smile. I
always loved how he called Jackie "sister". He was a sweet little
boy. I haven't seen Nick in many years, but I won't ever forget him.
You are all in my prayers at this most difficult time...Monica Moore

“ Lisa and Family, Shawn and I extending our deepest sympathy, for you and your family. Although it's difficult today to see beyond the sorrow, I hope looking back in memory helps comfort you. No words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. As you comprehend this profound loss, let yourself cry knowing each tear is a note of love rising to the heavens. Death leaves a heartache no one can heal, love leaves a memory no one can steal. We are hoping that comfort and peace may come to you.

“ Our sympathy goes out to your family. Nick was such a good kid, the times he spent at my mother and fathers house with Bobby, my mom would always have nothing but good things to say about him. Polite, helpful.. Even, when we ran into him at the Phily dinner Nick was all smile's. Our prayers are with Nick and His family at this time of sorrow. RIP Nick

“ Nick, it's gonna be really weird not getting calls from you anymore. Or seeing you for that matter. All I can do is hold on to all the damn fun we used to have. We had all the ups and downs that close friends have. Me, you, Jake. That's where it stops. No matter what anybody says, we were always the 3 amigos and we always will be. One day, we'll all be together again n it will be just like old times. I know you're doing better now and you wouldn't want us to worry or be sad. But we are n that shows how much we love you, bro. Jordan is crushed. As are me and Jake. You had a lot of great memories with a plethora of people, but the strongest ones are the 3 of us doing what we did best. Having good times and laughing our asses off. I love you man. Rest in peace and I cant speak for anybody but me n jake. We'll try our hardest to make you proud n you'll never be forgotten. I'm so sorry for your family. This situation leaves me vexed n with a broken heart. Time heals all wounds and we'll go on knowing that you're happy now.
