“ *I remember the time a really bad storm was coming and Nicole lived in Westville where it flooded so she stayed at my house during the storm, while we were glued to the news they gave a warning about tornadoes in the area, Nicole and I cleared out my hallway closet and put blankets and flashlights in the closet all the while laughing our butts off. We never had to use the closet but it was a memory I won't forget. I love and miss you Nicole so much. I wish I could hug you right now. Xoxoxo Aunt Diane*
