“ *One of my favorite memories was sharing our birthdays together. Aunt Nicky made the best birthday cakes. We all loved her homemade icing!  
She also made the best peanut butter chocolate Easter Eggs. Another great memory was enjoying peanut butter and jelly crackers after coming inside after playing in the snow. She couldn't make them fast enough. It was always fun times.  
I remembering Tommy eating most of them lol  
I am so thankful to her and Uncle Tom for taking care of me for five years, and giving me five brothers and sisters!! I love you all so much. Thank you for adding me in her obituary. It's means a lot to me.  
Aunt Nicky please give my mom a big hug and kiss for me XO  
God Bless You,  
Love and miss you.
