“ I only know Norma through the eyes of Kelly her granddaughter.
But Kelly is a wonderful person, smart, fun, loving strong and generous. Kelly spoke of Norma over the years, both the good times and not so good times.
I never met Norma but through Kelly I feel I know her. So Norma peace be with you and take comfort in that your children and grandchildren (Kelly) will carry on you legacy. GOD bless you and them.

“ Remembering the times we spent together as a family. Oddly, the memory of cooking little necks in garlic and oil in Auntie Norma's kitchen for all to enjoy. She will be remembered with love!♥♥
