“ Our prayers and thoughts are with the Lewis family in the passing of their beloved brother, Norman. He was truly a humble and kind man as our girls remember him as always being so gentle and mild. May he rest in peace with his beloved wife Eleanor. You are in our thoughts today in the celebration of his life.

“ Uncle Norm, you are a wonderful uncle and we will never forget you. You were always there if we needed help or advice. You were so organized and helpful. If we had trouble with the filter or pool pump you were there. When we redid the concrete around the pool you mapped out where the pipes will be under the concrete. Always looking ahead. Every time a fuse or curcuit pops in the house I am so thankful for your list of rooms, outlets, appliances, etc and which of the 3 fuse/curcuit breaker boxes I need to go to.
We know your were welcomed home by all of your loved ones who went before you. This is not goodbye as we look forward to seeing you again. We love you and will miss you!

“ I miss you so much already! You were a loving and wonderful brother and uncle and we will never forget you. I thank God for the time we have spent together trying to comfort and support you while that awful Cancer took you from us. Until we meet again . . I know you were welcomed with open arms by those in your family that have entered Eternal Life, as you all dwell in the House of the Lord forever. I Love You!
