“ *Mom, it has been one week we have received so many cards, flowers and phone calls. Today was the hardest day since you left. I miss having my morning coffee on the porch with you, no one tells me to do dishes or get out of my pajamas, I do get dressed so you can see and know we are all thinking of you. Geoffrey had sleepover and said I want my nanny. He believes you arntaking care of koda for him. Flowers and birds are doing great, Love you and miss you. My heart is broken but family helps a lot. Love you Chrissy. To all family and friends thank you from the bottom of my heart in helping me adjust to life without mom. Xo*
