Jerry, Sky and The Ivey family, I was saddened to hear of Patty's passing. She had such a sweet personality and welcomed my son into her heart like he was her grandson. I met Patty when I 1st moved onto her street before my son was born. She had the biggest smile and there wasn't a day she didn't wave or say hello. She landed a spot in my heart and she will be missed. My condolences ~

To Ash, Starr, and Kari, and all the kids, too.

I know just from all the times I spent sitting next to your mom at a birthday party, that you all were her pride, her joy, you were her life. She adored every one of you. It was a privilege to know such a selfless and wonderfully funny woman whose laugh will be heard from heaven. Without a doubt she will watch over you forever until you all meet again.

Our hearts are with all of you, knowing we all are better people for having known and loved her. She'll be so missed.

“ Pat was much too young to leave this earth. She was a dedicated mother and loved her grandchildren. It's tough to lose some so special to each of you. The positive is that we will see our loved ones again. God Bless and my Sympathy to Patty's children and friends. Jane A. Cox
