“ *Patti was so kind and thoughtful and encouraging to everyone she knew. There were so many times that she would send us cards, flowers, and little presents from time to time throughout the years. She always came to Bible studies and ministry events whenever she was able to attend. I remember so many times during the street ministry meetings she would preach the gospel message of Jesus Christ over the loudspeakers, letting everyone know how much Jesus loves them. She would show such compassion, care and love, and also pray for those who needed it individually. She would offer the needy clothing from the tables, and even lovingly serve them a refreshing drink or hot dog from the grill. Patti was always shining her light with kind words and big smiles to the world wherever she went. She loved the Lord God with all her heart, all her mind, and all her soul, and I know she loved everyone as much as herself.*
