“ *So many times I wanted to visit your mom. I guess we should never put something off thinking there remains plenty of time. When we were kids playing in the cornfield she would bandage our cuts and always give us encouragement. Probably the most philosophic person I knew as a kid. Always a good conversationalist. I can see her now in my mind's eye sitting out front with Tootles next to her. The Gardens and will never be the same. My sincerest sympathy to Donny, Michael, Craig, Lisa and your families. RIP old neighbor and friend.*

“ *Visiting your Mother was always a highlight. Her smile, wit and sarcasm, were unmatched! I loved that she allowed me to call her Mom, a true free spirit. She shines through all of you. It was truly my honor to have known , loved and be loved by her. My thoughts are with you all at this time, and always. Treasured memories, are mine.*
