I first met Pat , when he came to the NJDOT from the navy yard... We had many discussions concerning the Navy Yard since I had many friends that had also work there. Pat was a great guy ..always a positive attitude...Always friendly. God rest your soul and be at peace in that everlasting life.

“ *So sorry for your loss Joyce & family
My happy memories go wayback to when I babysat Pat & Johnny. I lived in front of them on Lake Ave. Stevie & my oldest son Michael played together at my mom Isabelle's house when they were little*

I grew up in the neighborhood & have awesome memories of the Caspers & Parks & Bosco's. I saw you & Pat last at Scott Bosco's viewing.

They were so good to me & my mom & brother Greg

I spent a lot of time with the Parks growing up & I was so happy to hear that Joyce & Pat were a married couple

Much love & God's blessings to everyone

“ So sorry to of your loss. I just saw this on the P.N.S.Y. Obituary Web site. We were co-workers at the Yard some 30 years ago. He was a great guy then and after seeing Tribute video, i see he had a wonderful life with his family...even though we didn't stay in touch much after the Shipyard closed, other then at Billy Wren's house. I will always have memories of Pat in my life's journey...

“ We got to know the Casper Family through sports with Pat. Watching our boys and Pat, and all of their friends grow into men is a wonderful thing.

Hanging out with Joyce and Pat, cheering on the boys during the variety of sports was so much fun.

RIP Pat. You'll live forever in our hearts. xoxoxo

“ I met Pat back in 2014 when I had just started working at NJDOT. He was one of the kindest and funniest friend. He helped me with many construction inspection questions and even life questions at times. He was always cheerful with his funny songs in the office. I am very thankful to have known him and may he rest in peace.

“ *When I was in nursing school Janeanne Blackiston would give me a ride back to my dorm in Phila. Occasionally Pat would join us to keep Janeanne company. When we would come off the elevator of the dorm I would yell "Man on the floor". Pat loved it! All those young girls. I think he was still in high school. Kathy Gardiner*

“ Most memorable times with Pat is when he was young and would come to our house with always something live in his pocket, whether it be a snake, turtle, or frog, which would sometimes manage to escape under our couch. He was an adventurers child and I loved him. He so enjoyed his wife, children and his Braxton and lyla. Rest in peace Pat til we meet again. Love Cousin Donna.

“ Remembering all the summers I hung out with Aunt Na and Pat and Johnny at Almonesson Lake and at the house. I will always remember Pat and I know he enjoyed watching his children grow up and become adults. So proud of all of you. So glad he got to enjoy his grandchildren who put so many smiles on his face. Thanks Joyce for taking good care of him in his final days. God bless you and and your family. Love,Delores
