“ *Our sincere condolences to the Germain family. As you go thru life you meet many people, many become acquaintances and a few become true friends. Paul was a very good friend. I will always remember the times we had working together at Langston. Better yet I will remember the great times playing golf, fishing and cards together. I will remember the golf trips to Myrtle Beach with our fathers who could not wait to go each year. My kids waiting for Paul and Flo to come to the house yelling bring the "brat" so they could ride in the back.*

I really miss him and I am happy to have talked to him a few weeks before he crossed over the bridge.

“ *My condolences, it was sad to hear. I'll always remember what a
nice man Mr. Germain was and what a great family he has. I was
friends and worked with Paul Jr in the late 70's and remember what
a great time we had at the old house, listening to music (my
introduction to BOSE speakers) and playing shuffle bowl for hours!
He will be missed. Stephen Marynowicz*

“ I'm so sorry to hear about Mr. Germain. Even though we weren't related, he and Mrs. Germain always had a special place in my heart, like adopted grandparents. I hope you all are all doing okay. Know that he is not in pain anymore and in peace. Love you.
