“ *Paul was my father-in-law for many years. Even after I still called him my father-in-law. Dad love to bust on everyone's. If he knew how to get your goat, he'd do it. He was such an instigator, always laughing while he was egging you on. Dad love to cook, bake and fish. Dad was famous for his bean soup, and glazed hams and he'd be the first one to tell you "nobody's is as good as mine". He will me sadly missed. My heart and prayers go out to Mom, Paul, Nancy & Jeannie, but just know he's not suffering anymore. I'm here for you all if you need anything. Love Sheral*
