“ Today is a day of sadness for all who knew Paul. He was great family man and a great person overall. Paul always had a story to tell or a joke at work at (Balford Farms). I always told him -- my wife wants to go Las Vegas for a second honeymoon, but I am not that much into Vegas since we have Casinos so close by (I had been to Vegas before I got married). This year -- Paul we are going to Vegas for that second honeymoon. May you look watch over us and protect from heaven -- Rest in Peace. My condolences to your family for their loss. You will be missed by all Paulie.
