“ Grandpop Pete...I will miss you so much!! When I think back on all the things we've done together all I can do is laugh. From stealing fruit out of the backyards of your Florida neighbors to me being bad and you yelling at me, to summer trips to Disney World! I love you very much and I am so grateful that we got to have you in our lives for as long as we have. We will look after your Annie for you. Until we meet again...keep the Yuengling cold!! xoxo
