Kerugoya Boys High School 1977-1980

Greenfields, Kitale - Form 5/6 1981-1982

In 1984 he started working for Marshall's East Africa, as a car salesman with a furniture/horticulture business on the side. He resigned to put more time into

his businesses. His horticulture business expanded to international trading. In 1999 he made a move to the USA seeking more opportunities for him and his family. He settled in New Jersey and his family joined him soon after. During that time he embarked on a journey to finish his education and enrolled at Gloucester County College (GCC) where he earned an Associate degree. He then attended Wilmington university where he earned a Bachelors in Organizational Development.

He went on to complete two Masters degrees, one in information systems technologies concentration in inform assurance and the other in administration of human services and was currently pursuing his PhD in education organization learning leadership and innovation.

Peter worked at Kelsch Associates for 14 years. The ever entrepreneur he was, he decided to leave Kelsch to pursue his lifelong passion for business, until December 12, 2020, when he was hospitalized after testing positive for COVID 19. Not one to not put up a fight, battled vehemently until he went to be with the Lord on 2/23/2021.

A loving, intelligent, energetic, inspiring, motivational, social and all around absolutely brilliant man, Peter dedicated his life to his family. He loved all things business and education. Peter enjoyed traveling, politics, good food, golf, cars, and music. He was strong in his faith in God and gave his life to Christ on May 23, 2010. He loved and served the Kingdom of God wholeheartedly. The impact he made in the lives of those who knew and interacted with him is strong and far reaching. He will surely be deeply missed by his loved ones.

“ *Peter Njagi*

“ *My deepest condolences. Peter and I worked together some years back. I just learned of his unfortunate passing. Peter was an extraordinary human being. He was helpful, sincere and most of all kind. He had a caring spirit that made all the people that he worked with comfortable. He was so funny! We would laugh at the little and the big things. I cannot imagine how sadden his loved ones are at this time, but I pray for your strength. Please, pull that strength from Peter and God. Please know that Peter has not left you, but moved to place so deserving of his kind soul. God Bless Peter and his family, may he sleep in power.*

“Fare thee well my school mate, brother and friend. We left with nothing but fond memories of your smile that was infectious to all around you, your love, generosity and hospitality. Your selfless service in the Kingdom of God was always admirable. I'm positive you are walking hand in hand with Jesus on the streets of gold. You ran a good race, fought the good fight of faith and are now in eternal peace. We shall meet again at Jesus's feet. Koma thayu mwendwa witu lthe wa Kio na Ndichu.

“I am at such a loss for words! You were such a kind, generous man always willing to help anyone with a smile on your face! I enjoyed working along side you while completing the investigations at Kelsch Associates. When we met up, it was a meeting of the minds! Calling you intelligent is an understatement, you had a way of processing information like no other. Heaven gained another angel! Rest well my friend. Prayers and sincere condolences to your family. S.I.P. until we meet again.

“ I am at loss for words..... fare well, Peter! I have too many memories... from speaking Swahili at the gas station; to making sandwiches and going to the flee market every weekend; to study time at Rowan; to Roseberry Ct... even to the wedding anniversary party. OMG! Surely, a time comes when people just gotta go and leave others surprised! I can't believe I can no longer remind you of buying vans together or of the fire at the apartment!!! It is well, Peter, go in peace. I am proud that you are a child of God.
