“ *Dear Mrs. Bevilacqua and Family, I just wanted to send condolences on behalf of myself and the Lewitt family. Our families crossed paths over the years, first at Most Holy Redeemer and then later at the Parkinson's Support Group. You and your husband were good friends to my parents and helped them both deal with my own father's battle with Parkinson's. Thank you for being such wonderful friends to my own parents. I have no doubt Mr. Bevilacqua and my father are together in heaven, in a much better place, free of Parkinson's. You are in our thoughts and prayers. Love, The Lewitt Family*

“ I am so sorry for your loss, uncle Phil was a great man.
He personified the value of hard work honesty and dedication and he had my deepest admiration for those traits.
I know he will truly be missed, and I pray for peace and comfort for all of you.
My father was fond of an old Irish Blessing:
May the road rise up to meet you. May the wind always be at your back. May the sun shine warm upon your face, and the rain fall soft upon your fields and until we meet again May God hold you in the palm of his hand.
God Bless, Tony

“ Dear Aunt Gloria & Family, I want to send my thoughts and prayers to you all. I am so sorry that I could not be there! I will always remember Uncle Phil for his amazing dancing with you! I always wanted to learn the things that you both did. Also, for always letting us swim in the pool in your backyard on Cumberland Ave. We would play WiffleBall at Aunt El's and then slip over the fence and jump in.....what a treat! God Bless You All and as always you will be in our thoughts and prayers!
Love, The Jensens' Dave, Linda & David

“ Dear Aunt Gloria Sorry to hear about Uncle Phil's passing. I have always thought of Uncle Phil as a hardworking guy. He was a good man and a family man. I have tried to follow in his footsteps by working in the building trades and raising a family. Our good thoughts are with you and your family. Love Corky

“ *To the family of Philip
I bowled with Philip on the Wednesday night POW WOW League.
Philip was an excellent bowler and we often exchanged stories and
bowling tips.
He was a great listener and a kind soul. It made me sad when that
disease slowed him down and he was frustrated because he was
unable to bowl any longer. We talked briefly on this subject and he
was not happy. He enjoyed bowling. I would always tease him about
being holy and I enjoyed his friendship.
I picked the below symbol, the moon for me and the star for him, he
truly was the best bowler ever!
My deepest symthany.
Respectfully,
Marie L. Dearlove*

“ My heart and prayers goes out to the family of Phil Bevilacqua. While I did not know Phil, I know what kind of person he was through his daughter, Lorraine. Phil and family can take pride in the fact that they have raised such a fine daughter. Lorraine's commitment to her family and to furthering her career is a clear reflection of her upbringing.
We are very proud of Lorraine here at Nationwide and I am pleased to have the opportunity to work with her.
Thank you Phil and family for providing the environment that produced such a committed mother, intelligent hard working engineer and fierce friend.

“ I will miss my Uncle Phil.
Although we did not see each other that often he was always there for me when I needed him. He took care of us when we were younger and helped me become the person that I am today. He will always be my Uncle Phil. I will miss him so much.
