“ *I knew Phyllis only as an online Scrabble player, but we developed a warm friendship after months of playing. Several weeks ago, she stopped playing and I became concerned. Today I found her obituary on line.*

I send my deepest sympathies to those she loved and who loved her, Beth, Hannah, and Fred . You all will be in my prayers as you try to deal with another stunning loss to your family. God love you all. And know that I miss Phyllis, too.
