“ *I am so sorry to hear about the loss of Randy. Life is hard today with so much sickness and death but he was positive through it all and an encouragement to others. What a beautiful example. It is my sincere hope that you will find comfort in knowing that God has promised to "swallow up death forever", and "put an end to all sickness and death". (Isaiah 25:8; John 5:28-29; Rev 21:4-5). These were of great comfort to me and I wanted to share them with all of you. May these bring you peace as you read and meditate on them. My sincere sympathy*

“ My uncle was a wonderful person inside and out. He was a Marine who loved his country and his family. He loved the Marine Corp. But, he loved his family more. He would always lift a person's spirit and make laugh when they down. I can remember that my uncles and my dad would fight over who got their plate first, who had more food on their plate, and who had more grandchildren. I loved listening to them, because they were so funny. We always had fun together. My Uncle Randy was a truly sweet, kind, caring, and loving person. He is and always will be greatly missed and loved. R.I.P Uncle Randy. Semper Fi, Uncle Randy.
