Dear George, Vickie & Family, I am so sorry for the loss of your father & all of the children's grandfather . He sounds like he was a remarkable man on many levels. I met him after his stroke & at your wedding. However we met up again when he was in CC rehab facility. I also have been taking care of my parents & were there off & on. That's when I saw your father and would visit him when I was there. Even though he had expressive aphasia and some paralysis , the happiness on his face & the sparkle in his eyes when he would show me the pictures and the drawings that the kids would send brought him great happiness & joy. I would look forward to our visits. God bless. In deepest sympathy, Beth Sturgis
