“ *It was just last year that I met Ray at my brother's wedding, so this is a sudden shock. Please accept my deepest condolences and prayers to all the family.

“ *Ray will be missed very much. He was a part of our family and always will be. I will never forget him coming to every family function with you, Terri. It was as if you were one person at times. Terri & Ray...the two always went together. Ray always made me laugh and smile, he fight right in with the Manning's and Napieralski's...the quirky bunch we are. :) Ray is now looking down on us and still being a part of our family. Nothing will ever change that.*

Jennifer Napieralski - July 26, 2009 at 11:33 PM

“ *My sincerest and deepest condolences to you and the family. I hope you find comfort and peace. Please know everyone is here for you and the family.*

“ Ray was a kind, giving, and caring man. I don't recall when our exact first meeting was, but it feels like he has been a part of our family forever. He's a special person to you Terri, which means he instantly became a special person to our family. We sincerely enjoyed having him around. It was very nice that he came to every family gathering. I am so happy that we were able to see him again last Saturday. My heart breaks for you Terri. Brandon, Kayla, and I will always be right around the corner. So if you need anything, pop on by.

“ May Almighty God of tender mercies comfort the Grant family (2 Co.1:3,4, Acts 24:15), The hour is coming in which all those in the memorial tombs will hear his voice and come out, Almighty God will wipe out every tears from their eyes and death will be no more, May these thoughts be of some comfort. gingerrobinson@bellsouth.net
